REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art teaches related replacement strategies but fails to teach the combination including the limitation of:

(Claim 1) "... indicating that a line storing the valid data in the cache is a candidate for replacement by reducing an importance level of the line after the valid data is accessed; and while maintaining the line as a valid line";

(Claim 9) "...accessing a valid data memory component and indicating that a line storing valid data in a memory of a cache is a candidate for replacement by reducing an importance level of the line while maintaining the line as a valid line";

(Claim 17) "...providing an instruction to access valid data in a cache and to indicate that a line storing the valid data in the cache is a candidate for replacement by reducing an importance level of the line after the valid data is accessed while maintaining the line as a valid line";

(Claim 25) "...a cache control logic to receive an instruction to access the valid data and an indication to reduce an importance level of the cache line based on the instruction while maintaining the cache line as a valid cache line";

(Claim 30) "... indicating that a line storing the valid data in the cache is a candidate for replacement by reducing an importance level of the line; and reducing an importance level of the line based on the instruction after the valid data is accessed; while maintaining the line as a valid line";

(Claim 36) "...indicate that a line storing valid data in a memory of a cache is a candidate for replacement by reducing an importance level of the line while maintaining the line as a valid line".

Claims 2-8, 11-16, 18-24, 26-29, 31-35, and 37-39 are allowed as being dependent upon, and thus incorporating therein, the allowable subject matter of their respective parent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
